DEMOCRACY IN EDUCATION - EDUCATION FOR DEMOCRACY

JOIN US IN PROTECTING FACULTY RIGHTS IMPROVING SALARIES AND BENEFITS

The American Federation of Teachers has 1.7 million members and represents 200,000 faculty in higher ed. Since 1973 the AFT has been the *de facto* faculty union for employee grievances on Idaho's campuses. Our goal has always been to solve these problems without going to court, but when internal solutions have not been possible, our attorneys have been successful in 9 out of 12 major cases for a total of nearly \$2 million in settlements and legal fees.
