

JOIN US IN PROTECTING HIGHER EDUCATION FACULTY RIGHTS & RESPONSIBILITIES

The American Federation of Teachers (AFT) has 1.3 million members and represents 150,00 faculty members in higher education. For over thirty years, the AFT has been an important professional society for Idaho higher education faculty and the *de facto* union for faculty grievances on Idaho’s campuses. Our goal has always been to solve problems without going to court, but when internal solutions have not been possible, our attorneys have been successful in 9 out of 11 major Idaho higher education cases for a total of over \$2 million in settlements and legal fees in the protection of higher education faculty. Members also receive many ancillary union benefits and publications on issues in higher education.
